Adams emerges from the wreck of the speeding car and takes another car with Trixie and Natchi for the steamer which sails for the Orient. Abba Sigh and the Mystery Man slip aboard in the hope of recovering the Sacred Ruby and the Peril Pact from Adams. Landow, following in an airplane with Darrel catches the liner by dropping into a motor boat from a ladder slung from the plane. Disguising as a member of the crew, he attacks Adams, who is making love to Trixie, but is overcome by the crew and put into irons. Arriving in the Orient, Landow breaks his chains, bends the iron bars of the cell and escapes to the deck where he battles the crew while Trixie escapes from the hands of Adams' ruffians and leaps into the ocean. Landow follows her.
